

## I invite all people to dance with me and my Music Sorter!

Hello! My name is Addison. I collect music in genre Afro-jazz. Of course, I systematically use Music Sorter , because with Music Sorter I can detect in my music collection everything. I excellently dance and advice to learn, how to dance other people.

I think, that dance and music, sorted with Music Sorter, mean in life of man. And I advise, if you don't like ordinary sport training, you must study Afro-jazz. My Music Sorter very quickly sorted African melodies. Usually I have not problems. I want to say, that Afro-jazz have in the heart ritual dance Africans tribes. It improves coordination, increase force and craft, stretch backbone.

One day I said my Music Sorter : "I want search out very rhythmic and energy dance hot Africa". My Music Sorter immediately affected my wish and sorted me more ten very rhythmic and energy dances. Afro-jazz - is a dancing program of Cuba and Africa. This is African's aerobics. My friends were interested by this music genre. My Music Sorter permanently sorted for them music.

Music Sorter - is a nice assistant and business friend. Yesterday I was very tired and sad and therefore I decided to dance, Music Sorter quickly sorted for me beautiful music and I began to dance, I invite all people to dance with me and my Music Sorter. Addison Moore from Kalalock, Washington
